

THE PLACE TO START & GROW YOUR BUSINESS

FARMINGTON
WOMEN'S BUSINESS CENTER

Women in Manufacturing Panel Presentation

FRIDAY, October 21 2022 | 12:00 PM – 1:00 PM

Online and virtual training – hosted by WESST Farmington Women’s Business Center (Video conferencing instructions will be sent to you after you have registered for the class.)

Join WESST Farmington Women’s Business Center and NM Manufacturing Extension Partnership for Manufacturing Days as we celebrate women in Manufacturing. Manufacturing has traditionally been a male-dominated industry—fewer than one third of manufacturing employees are women. Though there have been improvements in recent years, women are still underrepresented in the manufacturing industry. To inspire future women in the industry and recognize those that are paving the way; we want to start a conversation about what can be improved.

Join us for a panel presentation with Women in Manufacturing where we start a greater conversation around closing the opportunity gap, showcase the opportunities that abound in the manufacturing sector, and shine light on the impact women are making in manufacturing. **Guest Panelist: Kathy Hogan, Edward Jones; Virginia Ballenger, Navajo Spirit; Courtney Ballenger, Navajo Spirit; and Karen Converse, Los Poblanos.** Jennifer Sinsabaugh CEO with NM MEP will provide an overview of Manufacturing in NM.
