

Aztec Rouge foods,

By the team rez girls.

Briella, zayna, twila, samaya, Mia

Kailee, Ariana, maylee, sammie

Aztec rouge foods

How much they make in 2 weeks is about 400 dollars to 1000. They also started in a farmers market . There most selling food is beef jerky . They also started in 2021. There are 2 people that own the store . They let local venders have a spot in there gift shop . They go through about one to two cases of beef jerky .

Aztec rouge foods

How we can help is asking a lot of local business to send them some of what they sell and sell them . So in that way we can help local businesses and help the community and so that a way we can help .

Aztec rouge foods

Challenge H2 is to be more sustainable snack food producer in their community
aztec rouge foods would like to focus on the economic area of local suppliers/
purchasing .
