

A stylized illustration of an icebreaker ship, represented by a large, faceted blue and white geometric shape, sailing on a blue sea. The background features a light blue sky with a white sun and several white clouds. The text 'ICE BREAKERS' is written in white, uppercase letters on a green rectangular background, and 'presentation' is written in a smaller, grey, lowercase font below it.

# ICE BREAKERS

presentation

# Our problem

To be a more sustainable fluid engineering and mechanical services provider in their community, Sulzer would like to focus on the Social Area of human capital to recruit, train, and promote individuals with the skills and experience necessary for production in an ever-changing marketplace.

solution

“Where hiring young people and where moving other people from other state to san juan county.”
